

# Angie Nussey - Stage Plot

(Keynote - Audio and Video Tech Specs)

## Stage Front

Tech set up

Angie's set up

### Tech Requirements:

- table - 2 x 3
- Boom Stand
- Single DI
- Power source
- HDMI access for screen / projector

NOTE: Angie performs with on onstage mixer using her own mic and IEMs. The final mix is sent to the mains via a single, mono, 1/4 cable. She requires a projector / video screen that connects with HDMI from her computer.
